感谢黄廷方医院医护人员

蔡心保

今年初我的右眼突然感觉出现 问题, 视物模糊不清, 自觉不妙, 去了黄廷方医院紧急部门看诊。当 天的眼科值班医生是林捷(Dr Mark Lim Kit), 他在完成初步的视力检查 后,告知我的眼晴视网膜有大面积 的脱落,病情严重,最好尽快作手 术治疗。

当晚林医生立即联系医院眼科 手术部门,安排于隔天由陈建平医 生(Dr Chen Jian Ping)及医疗团队进 行手术。他们花了约两三个小时完

成手术,并安排我留院观察一晚。

手术前, 医生已告知我及女儿, 视网膜修補手术后可能会失去部分视 力。我理解自己已经年过六十,且病 情复杂, 因此坦然接受。

我非常感谢在复诊期间,有王 士铨医生(Dr Ong Sze Chuan)、卓 庭如医生(Dr Toh Ting Ru)及来自 耳鼻喉科的Vijayaraj Thirunavukarasu 医生,他们都参与我的后续治疗。

在此, 衷心感谢所有为我治疗 的医生,对他们敬业乐业的精神表 达我最诚挚的感恩之心!

Translated summary of Mr Cai's letter:

Earlier this year, Mr Cai developed a sudden onset of blurred vision in his right eye and sought emergency care at NTFGH. He was diagnosed with a severe retinal detachment and had to undergo urgent surgery the next day. He was subsequently warded overnight for observation and received follow-up care.

Mr Cai praised the care team who treated him, for their professionalism and dedication, thanking in particular:

- Dr Chen Jianping, Consultant, Ophthalmology
- Dr Vijayaraj Thirunavukarasu, Principal Resident Physician, Otolaryngology Head & Neck Surgery (ENT)
- Dr Ong Sze Chuan, Resident, Ophthalmology
- Dr Mark Lim Kit, Medical Officer
- Dr Vanessa Toh Ting Ru, Medical Officer

our patients!
