

Dr Tan Yi Quan (second from right) receiving the 2026 Distinguished Young Urologist Award at the 15th International Alliance of Urolithiasis Annual Conference.

2026 Distinguished Young Urologist Award

Congratulations,

Dr Tan Yi Quan

Consultant, Urology, NTFGH

About the Award:

The **Distinguished Young Urologist Award** by the International Alliance of Urolithiasis (IAU) is a prestigious annual honour presented to an outstanding urologist who has made significant clinical, leadership, and scientific contributions to the global Urology community, particularly in diagnosis and treatment of kidney stones.

The award was presented at the **15th International Alliance of Urolithiasis Annual Conference** which took place from 23-24 October 2026 in Macau, China

Care that counts.

Timely, Intentional & Personal
