# Congratulations

## TO ALL RECIPIENTS OF NUHS EDUCATORS' DAY 2026 AWARD

### Honouring the Architects of Tomorrow's Healthcare

On this special day, we honour the unsung heroes of healthcare: our Educators. You are the extraordinary individuals who teach, inspire, mentor, and transform. Your classrooms extend beyond four walls. They reach into wards, clinics, the community, and, most importantly, the hearts of your students.

Your impact is profound and far-reaching. Every life saved, every patient comforted, and every breakthrough – these are the echoes of your dedication. You do not just impart knowledge; you ignite curiosity, foster compassion, and shape character.
