

Code of General Conduct

As employees, we should all reinforce and personify NUHS Cluster's core values. Some guidelines as follows:

- Be accountable for our actions, decisions and results.
- Conduct ourselves in a manner that upholds the integrity of the organisation and public confidence in us.
- Do not commit any misconduct or offence (e.g. bullying, theft, cheating).
- Be transparent and above-board in all official dealings, and guard against any conflict of interest.
- Treat our colleagues, patients and members of the public with courtesy, consideration and respect.
- Take all possible care to prevent loss or damage to any property of NUHS Cluster, which from time to time, may be put under your charge.
